Partner: _____
Percentage: _____% _____%

Stated percentages to:

Remain the same year after year, or

Stated percentages to vary with partnership taxable year, or

Division based on units of participation in partnership business, or

Division based on proportion of business brought in and amount of work performed by each partner,
or

Partners' retention of percentage of income earned by them before net profits are computed and
distributed

VII. Manner in which each partner's distributive share is to be paid:

Salary, or
Draw

VIII. General Items:

Amount of time each partner must devote to partnership business

Restrictions, if any, to be placed on partners' outside business activities

Special duties, if any, each partner will perform

Limitation on ability of any partner to incur partnership liabilities

Vote required for certain administrative and/or business matters, including:

Ordinary matters

Expulsion of partners

Admission of new partners

Weight accorded each partner's vote

Grounds for expulsion

Notice period required before resignation, expulsion, or retirement will be effective

Disposition of outgoing partner's interest:

Sale to remaining partners

Liquidation of interest

Valuation method by which purchase price will be set

IX. Documents

1. If property other than cash is contributed to the partnership, obtain the following:

a. Instrument (e.g., deed) conveying title to contributing partner.

b. Documents of title to motor vehicles.

c. Leases affecting contributed property.

d. Licenses and permits, if any.

e. Franchise agreements, if any.

f. Financial statements for going businesses contributed.

NOTE: Financial statements, while not determinative, will aid in computing both the adjusted tax basis and the fair market value of contributed businesses.

2. Insurance policies on all real and personal property contributed to the partnership.

3. Insurance policies, if already issued, to be used in funding cross purchase agreements.
